

MEMORIES

FIFTY-FIVE

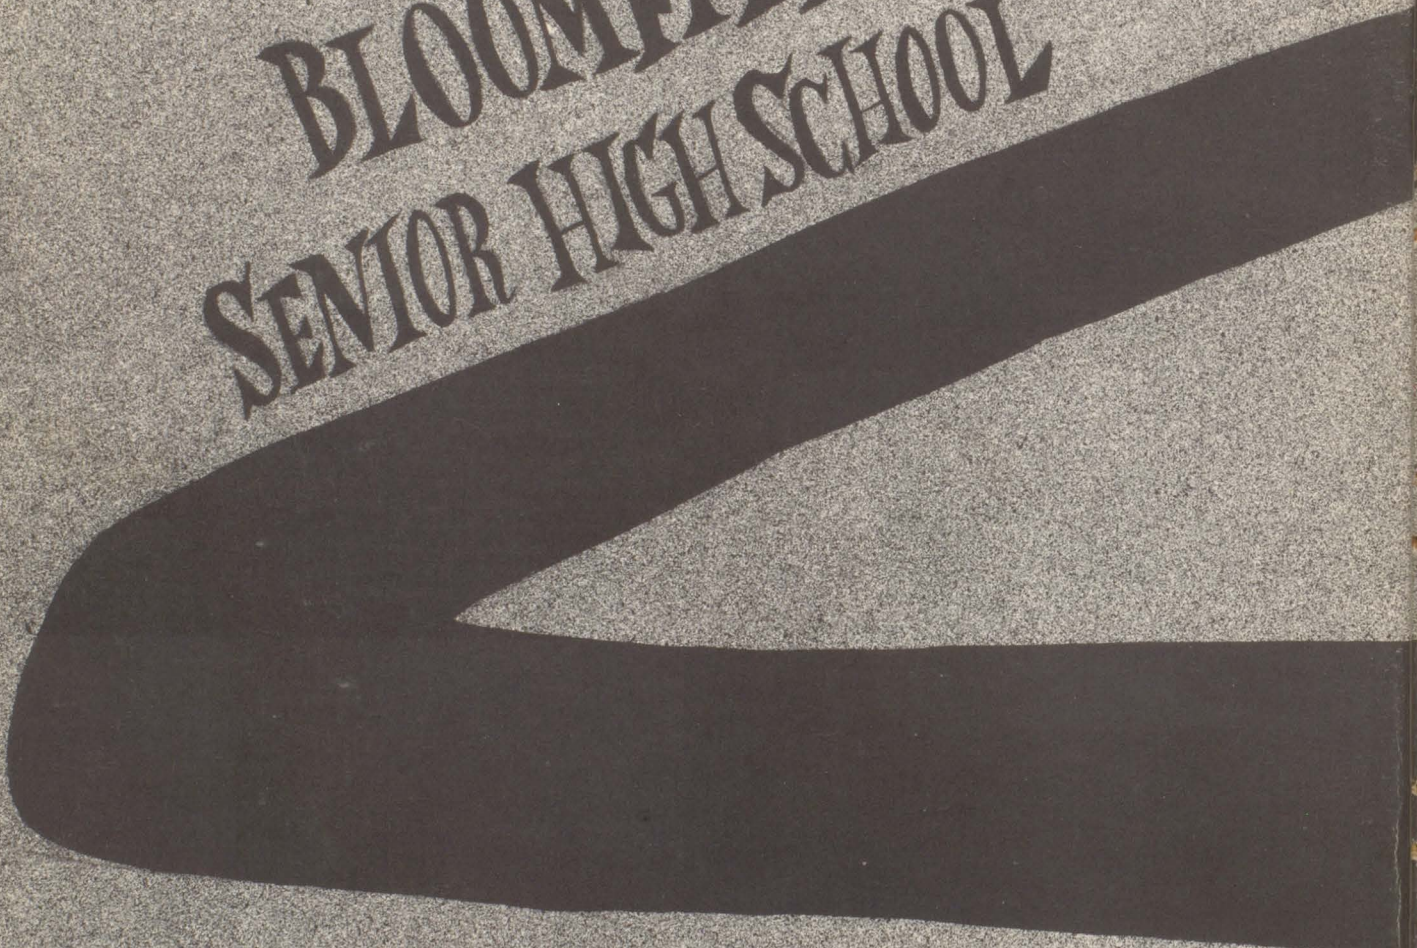

The Cover—Derived from the recent construction of the Garden State Parkway, our theme, The Road Ahead, is meant to record our three brief years at B.H.S. On each division page, our Art Staff has visualized a road, symbolizing the five basic components of *MEMORIES*. Seen in a pattern of line and color, the cover represents an abstract version of The Road Ahead! Our design of yellow and black is also associated with the stripes of the Bengal Tiger and with road signs. As a continuous symbol of our theme, a figure of a road-running bird, named Quibby, appears throughout our book. — The Editors

BLOOMFIELD, NEW JERSEY

FIFTY-FIVE

MAPPIING

A stylized graphic of a road, represented by a thick black line, stretches across the top of the page. Two circular pits, each with a vertical line and a small circle at the top, are situated on the road. A large, white, triangular area, resembling a road sign or a piece of paper, is positioned in the lower right, partially overlapping the road and the text area.

AHEAD

Man's insatiable desire for knowledge since the dawn of time has led him down many roads. "Mapping Ahead" with a fixed plan in mind, he has produced the miracles of the Twentieth Century. At times he has served as a "Guidepost" leading others past the pitfalls of Life. At other times, he has been a "Wayfarer" following others and benefiting by their experience. Naturally, Man has come to many "Interchanges," those places where problems and indecisions have slowed his advance. Which road to take? The one which leads on to greater heights of civilization? Or, the one which terminates in a dead-end, stopping culture and knowledge almost completely? Regardless of the situation though, Man has continued "Journeying On," seeking, finding, developing, in the effort to improve his position and to bring peace and security to himself and the world. As long as the desire for knowledge is kept alive and the roads leading to that knowledge are kept intact, Man and his civilization will always advance and improve.

But, why speak of a road? The theme of *MEMORIES*, the Road of Life, was determined by the construction of Bloomfield's newest addition . . . the Garden State Parkway. The components of *MEMORIES*—the literary work, layouts, cartoons, the characteristic figure of Quibby the bird, the photography, all combine to form a unified whole to illustrate the theme! Through the use of these varied segments, *MEMORIES '55*, has attempted to join the unrelated subjects of a road and life into an integrated union. Thus, the staff has produced a yearbook with a theme both up-to-date and pertinent to you, the members of the one hundred-and-first graduating class of Bloomfield.

One hundred-and-one! A significant milestone on the highway to the future! We, the Seniors of the Class of '55, are setting out on our Road to Life. Where will this road lead us? To a future bright with achievement and promise or to one dismal with discouragement and failure? Only we can determine the outcome. May the future contain only promise and achievement for each of us!

OFFICE OF THE MAYOR

TO THE ONE HUNDRED AND FIRST GRADUATING CLASS
OF BLOOMFIELD SENIOR HIGH SCHOOL:

AS YOU ARE NOW PREPARING TO LEAVE OUR BLOOMFIELD SENIOR HIGH
SCHOOL TO ENTER MANY DIFFERENT PATHS ON THE ROAD OF LIFE, MAY
I ASK THAT YOU KEEP IN MIND A POEM BY EDGAR A. GUEST:

"WE CANNOT KNOW THROUGHOUT THE YEAR

ITS SUM OF GOOD AND ILL.

BUT PLAIN IT SEEMS THAT EACH IS HERE,

SOME NEEDED ROLE TO FILL."

FOR, IT IS TRUE THAT ON THE ROAD OF LIFE, EACH OF US HAS A JOB
TO DO, WITH RESPONSIBILITY TO OUR FAMILIES AND TO ALL OUR
FELLOW CITIZENS. I PRAY THAT EACH PATH YOU ENTER, AND EACH
JOB THAT YOU DO, WILL BE FILLED WITH MANY BENEFICIAL EX-
PERIENCES, AND WILL FILL A ROLE NECESSARY TO THE RELATIONSHIPS
WITH OUR FELLOW MEN.

A NEW ROAD IS NOW BEFORE YOU - AND LIKE THE NEW SUPER-HIGHWAY,
THE GARDEN STATE PARKWAY THAT IS PASSING THROUGH OUR TOWN OF
BLOOMFIELD, MAY YOU HAVE MILES AND MILES OF FASCINATING
DRIVING - AND MAY YOU REACH YOUR DESTINATION OF A SUCCESSFUL
CAREER, WHETHER IN BUSINESS OR AT HOME, WITH A HEALTHY, HAPPY
MIND AND BODY.

MAY I EXTEND TO EACH OF YOU OF THE 101ST GRADUATING CLASS OF

Why Quibby?

Why Quibby? We can see you all shaking your heads and casting questioning glances at any annual member within eyeshot. Actually, the explanation is quite simple. Our bird, as you have noticed, is quite wingless as befits a fowl who travels exclusively on solid earth. The only bird who resembles this in nature is an Australian kiwi, a throwback to a previous age. When the time came to christen our cartooned bird, various suggestions were made that were a play on the real name of kiwi. These ranged from Keewee to Q.B.; finally a hybrid was decided upon, and Quibby he became. He appears throughout our book in varying guises, and we hope that he will considerably enliven your journey on the Road of Life through MEMORIES '55.

GUIDEPOSTS

Which road to travel? How many times has each of us asked himself this question! At times, we have been puzzled by a mathematics problem, or an equation in chemistry, or questions in English and history. More often, problems in our social lives or various occupations after graduation have stymied us. Whatever the situation, each of us has arrived at his own solution—whether it be a result of past experience, or our parents' and teachers' advice. Would we have advanced this far on the Road of Life without such aid? A day does not pass without our posing at least one problem to our teachers. Do we benefit, intellectually and spiritually, from their guidance and knowledge? The answer depends solely upon our initiative and willingness to learn. Shall we disregard and destroy the value of our learning, or shall we use it to establish our rightful place in the future? It is our duty and prerogative to follow our teachers' counsel and forge ever ahead on the Road of Life.

Edith C. Russell*

EDITH C. RUSSELL

Forty-five archery championships! Forty-one precision drill teams! Thirty-one years of military drill teams! These are the hallmarks and achievements which Miss Russell has given Bloomfield in over four decades. Character, Loyalty, Courage, Honesty, Respect, and Discipline are only a few of the ideals which Miss Russell has instilled in the minds of her girls. The success of Miss Russell's teams in classes is due to the respect and admiration of her girls and their confidence in her ability. For she has had "heart to conceive, the understanding to direct, and the hand to execute." As further proof of her own competence, Miss Russell is one of three women appointed an honorary member of both the Eastern Archery and National Archery Associations.

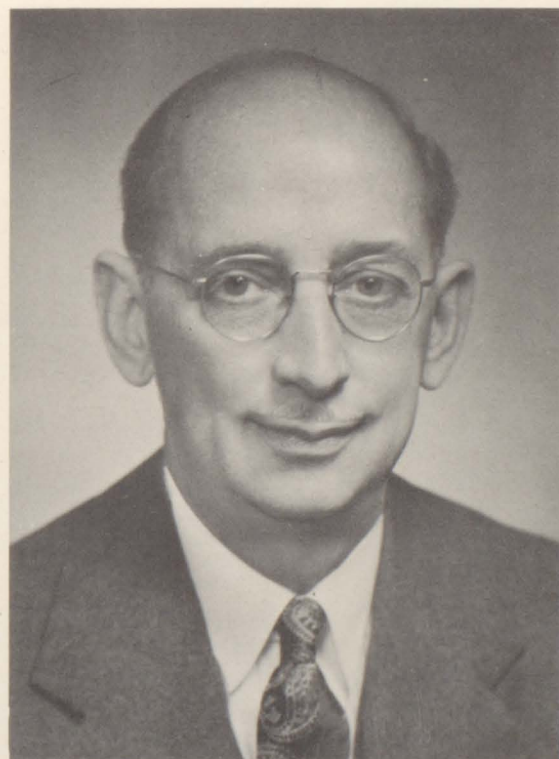

At the age of five, Miss Russell began her long and illustrious career in a private gymnasium in Bridgeport, Connecticut. At fourteen years of age, she gained teaching experience with Benita Slocum. She attended Sargent School and New Haven, now Arnold College, completing a three year course in two years.

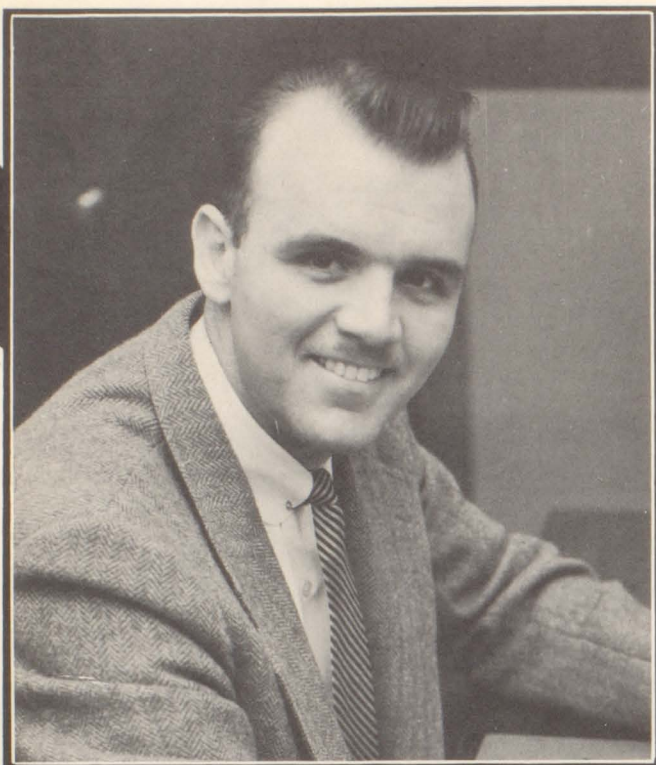

Completion of active participation in school affairs will allow Miss Russell more time to enjoy embroidery, crocheting, television, and the theatre. Our best wishes go to you, Miss Russell, to enjoy life and good fortune for many more years.

ALBERT F. KOEHLER

A friendly smile, a thoughtful act, a kind word—all these suggest Mr. Koehler, whose retirement from active teaching this June culminates a four-decade career at B.H.S. An alumnus of the Drexel Institute of Technology and former graduate student at Columbia and Rutgers Universities, Mr. Koehler will long be remembered for his vast knowledge of his subject and for his fairness and readiness to lend a helping hand. Now, however, as his duties as Chairman of the Related Arts Department and Supervisor of Bloomfield's Industrial Arts are relinquished to another, Mr. Koehler will be able to enjoy more fully his many favorite diversions, including crafts, gardening, genealogical research, historical reading, and the collecting of antiques. Work by no means at an end for the energetic Mr. Koehler, for plans for the future include continuing as member of the Board of Managers of the Sons of the American Revolution, Treasurer of the N. J. Huguenot Society. In everything he does, and no doubt, Mr. Koehler can rest assured that he and his many friends will never be forgotten by the students and

GEORGE L. SUTTON

We, the boys of the Class of '55, thank you, Mr. Sutton, for your untiring efforts in our behalf. In your capacity as guidance counselor, your primary concern has been helping us solve our problems, whether they dealt with high school, college, or present and future employment. Many is the time your genial, warm personality and understanding manner have enabled us to face our problems and overcome them successfully. All who have sought your advice have come away with the feeling that you have taken a personal interest in each individual. We, who have had the privilege of your assistance these past three years, wish you all success and good fortune in the years ahead.

CHARLOTTE F. DEGEN

The girls of the Class of '55 greatly appreciate Miss Degen's keen interest and tireless patience. Many have been the occasions upon which her sympathetic understanding and unerring judgment have guided us in our academic and extracurricular undertakings. She has devoted innumerable hours both before and after school to helping us through many trying situations; she was always ready to lend a sympathetic ear to our problems and to offer suggestions for their solution. Miss Degen's outstanding contributions to the success of our class will always remain a part of our fond memories of B.H.S. To her, our guidance counselor, class adviser, and friend, we extend our heart-felt thanks.

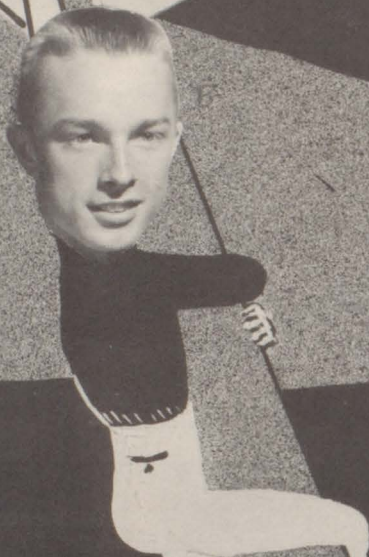

WAYFARERS

The darkness of night . . . tiny pinpoints of light groping their way through the black void . . . what significance does this scene hold for us, "Wayfarers" on the Road of Life? The night represents the blackness of ignorance; the lights, we, the students, striving to illuminate and clarify each new experience and bit of knowledge we encounter. What experiences will appear on the dark road to the future? Shall we extract benefit and assistance from each new experience in an earnest attempt to replace the darkness of ignorance with the light of knowledge? Or, shall we merely overlook new experiences and not realize their full value? Traveling the road of life is difficult at best: what we learn, how far we travel, and what we accomplish depends solely upon each of us as individuals. May we choose wisely and well.

IN MEMORIAM

ERNEST CARUSO

Ernie's trumpet has sounded its last note, bringing to a close a short but eventful life. Athletically minded, he enjoyed sports to the utmost, participating in both intramural and varsity events. Anyone who knew Ernie found in him the spirit of friendliness that helped brighten each day. Even though he cannot be with us on graduation day, Ernie will live in our minds as we receive our diplomas.

INTERCHANGES

Roads intersecting! Which one shall we travel? Shall we turn east or west? Which one leads to our chosen destination? Similarly, we must ask ourselves, "What activities shall we join?" A language club? A science club? A sport club? A service club? Whatever the choice—road or activity—the decision is ours! Obviously, we prefer one club or organization to another. Is there a reason behind our choice? How will we profit from the experience? Cooperation . . . leadership . . . responsibility . . . understanding . . . Whether it be in a classroom or on the gridiron, when we meet together, striving to attain a common goal, we obtain these benefits. Learning to work together for the mutual benefit of each member of a team or committee, assuming responsibilities for club programs or group projects, directing others in accomplishing worthwhile goals . . . all these are the results of participation in extra-curricular activities. These serve to prepare us for the future, whether our own personal road leads us to college, military service, or employment. Shall we attain success in one of these ventures? The answer depends, to a great extent, upon the training and experience we receive from our secondary education; upon that training and experience depends our future.

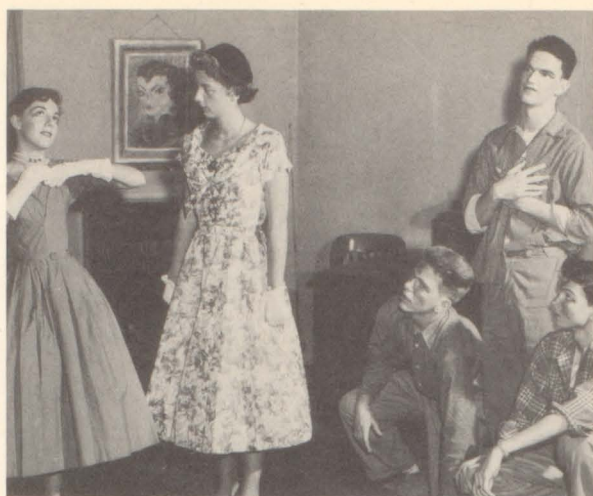

"A house divided against itself cannot stand."

"FATHER OF THE BRIDE"

Doorbells ringing, telephones screaming, endless shopping trips and aching feet—this is just part of the pandemonium that faces Mr. Stanley Banks when his only daughter, Kay, decides to get married. From the Sunday morning when Kay tells him that she is marrying "a character he never even heard of" until the day when Kay appears in all her bridal finery, the Banks family faces one minor catastrophe after another. Finally on June 10, all the problems are solved. As Mr. Banks and Kay leave for the church, one can imagine the sound of wedding bells in the distance and the smiling faces of the happy couple.

"Let's go knock 'em dead!"

"It will go like magic . . . Buckingham never fails!"

STUDENT PRINTS

Staff members of the STUDENT PRINTS gain practical experience in journalism by publishing our school newspaper ten times each year. Their chief aim is progressive improvement aided by the use of new techniques. Such improvement occurred when the staff adopted offset printing last October, resulting in a completely new-style publication. Membership is not all work either, for the STUDENT PRINTS also conducts some social events such as a Christmas party and a party in June. This year, representatives of the newspaper again participated in the meeting of the New Jersey Scholastic Press Association and attended the Columbia Scholastic Press Association Convention.

NATIONAL HONOR SOCIETY

Once a month, this club, made up of seniors, meets in the school library. Its purpose is to promote scholarship, leadership, and service to the school. Included in the activities during this year were the November induction program, the annual party in February, and the May induction assembly.

W. HOGAN, President; K. CESTONE, Vice-President; J. MAZZELLA, Secretary; I. JOHNSON, Treasurer; MRS. L. POLGLAZE, Adviser.

LEFT TO RIGHT: W. Hogan, President; K. Cestone, Vice-President; Mrs. L. Polglaze, Adviser; I. Johnson, Treasurer; J. Mazzella, Secretary.

KEY CLUB

The Key Club's sole purpose of existence is to serve Bloomfield High School. Doubtless you have seen various members of this organization selling programs at all the home football games or busily making plans for their numerous dances. Other activities include the job of raising the school flag each day, taking care of the mirrors in the boys' rooms, and collecting for community drives. A hayride was one of the main events scheduled for this year during the football season, and the club was an active participant in the Cerebral Palsy Drive.

R. STAVIN, President; A. UNGERLEIDER, Vice-President; K. STIRITZ, Secretary; G. HEATH, Treasurer; MR. O. ENGLER, Adviser.

LEFT TO RIGHT: A. Ungerleider, Vice-President; Mr. O. Engler, Adviser; R. Stavin, President; G. Heath, Treasurer; K. Stiritz, Secretary.

LIBRARY CLUB

Aid in the maintenance of the school library is a formal way of phrasing the duties of this volunteer group. Care of books, other materials, the desk, as well as helping the many library users are among the duties involved. Besides performing these vital services, members have ample opportunity for fun highlighted annually by initiation and Christmas parties, field trips, and a senior breakfast.

C. HUGHES, President; R. Alvine, Vice-President; R. de MYER, Treasurer; K. MIDDLETON, Corresponding Secretary; M. DeFILIPPO, Recording Secretary; MISS M. TAYLOR, Librarian; MISS H. BURKE, Assistant Librarian.

STUDENT COUNCIL

The Student Council, as the representative agency of the student body, promotes many worthwhile school activities and understanding between faculty and students. Some of the activities that have been sponsored by the Student Council are the adoption of a German child through the "Save the Children Federation," Football Queen Dance, a toy drive for the League for Friendly Service, Spring Variety Show, and a free lunch drawing in the cafeteria. Besides these activities, the Student Council is a member of the state and national organizations of Student Councils and also exchanges visits with other high schools.

D. TELLER, President; M. FLEMING, Vice-President; K. McCORMICK, Recording Secretary; J. HARRIS, Corresponding Secretary; R. BONGO, Treasurer; MISS K. DENNISON, Adviser.

PHILATELIC SOCIETY

Although the B.H.S. Philatelic Society is new this year, it has gained decisive popularity with many of the student body. The society has a commendable number of special events to its credit including a stamp auction and the filling of an album for student use in the library. The aims of the club are to learn more about the world through stamps and to aid each student in bettering his own album.

S. BEERS, President; J. KEARNY, Vice-President; N. RESCH, Secretary-Treasurer; MR. R. ROCKWEILER, Adviser.

LEFT TO RIGHT: N. Resch, Secretary-Treasurer; S. Beers, President; Mr. R. Rockweiler, Adviser; J. Kearny, Vice-President.

INTERNATIONAL RELATIONS CLUB

A trip to see the U.N. in action and contributions for the needy of the world are traditional customs of the International Relations Club. Its aims are both educational and social. At the regular meetings, members have discussions, see film strips, and hear recordings of vital concern to those interested in the world and its workings.

M. SOCHA, President; C. DiDONATO, Vice-President; J. SIDOTI, Recording Secretary; N. MILLER, Corresponding Secretary; M. JAGO, Treasurer; MISS A. MILLER, Adviser.

LEFT TO RIGHT: C. DiDonato, Vice-President; J. Sidoti, Recording Secretary; M. Socha, President; N. Miller, Corresponding Secretary; M. Jago, Treasurer. Not present Miss A. Miller, Adviser.

MATH CLUB

Two Thursdays each month of the school year the Math Club meets to promote interest and appreciation in the truth, beauty, and application of mathematics. Members seek to carry out these purposes by solving mathematical puzzles, learning number curiosities, and constructing abaci to aid them in study of the various number systems. Special reports and projects by members supplement their program. An annual event is the visit to a concern employing mathematics extensively. This year the club plans to tour Princeton University.

G. FITT, President; P. SINISCAL, Vice-President; D. ANDERSON, Secretary; P. MOOG, Treasurer; MISS B. HUNTE, Adviser.

STANDING, LEFT TO RIGHT: P. Moog; S. Beers; R. Eckel; D. Moore; Miss B. Hunte, Adviser.
SEATED, LEFT TO RIGHT: N. Resch; D. Sutherland.

BIOLOGY CLUB

Frogs legs anyone? Despite the fact that Biology Club members are often pictured as blood thirsty individuals, they really go far to improve scientific skills and increase their knowledge of biology and its importance. Field trips, raising plants, preparation and examination of microscopic slides, projects for the N.C.E. science fair, animal dissection and growth of bacteria cultures are among their many activities.

R. ALVINE, President; R. QUODOMINE, Vice-President; S. ACKLEY, Secretary; E. ZGORZYNSKI, Treasurer; J. BOGAN, Program Chairman; MRS. H. GRABO, Adviser.

LEFT TO RIGHT: S. Ackley, Secretary; E. Zgorzynski, Treasurer; R. Quodamine, Vice-President; Mrs. H. Grabo, Adviser; J. Bogan, Program Chairman; R. Alvine, President.

ELECTRONICS CLUB

During the first two years of its existence, this club has developed considerable interest in electronics at B.H.S. This year its members inaugurated their own radio repair service for school personnel. Since most of the boys are licensed radio operators, they have set up a club station which has been assigned the call K2KQK. Each year the club members visit an industrial firm connected with electronics such as the Dumont Laboratories.

E. POLLARD, President; D. SUTHERLAND, Secretary-Treasurer; MR. E. MAGEEHAN, Adviser.

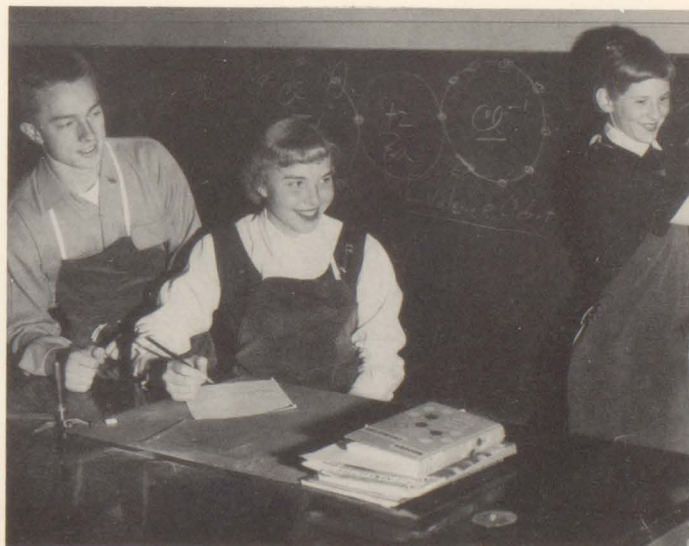

LEFT TO RIGHT: Mr. E. Mageehan, Adviser; E. Pollard, President; D. Sutherland, Secretary-Treasurer.

CHEMISTRY CLUB

Each month the members of the Chemistry Club meet in Room 205-A to listen to lectures or to watch films and demonstrations. The purpose of this club is to increase the students' interest in both organic and inorganic chemistry. Activities include many films as well as a trip to one of the industrial plants in the vicinity.

K. HAGER, President; C. KEYLER, Vice-President; S. PRIESTLEY, Treasurer; M. McADAM, Secretary; MRS. F. BECKER, Adviser.

LEFT TO RIGHT: C. Keyler, Vice-President; K. Hager, President; M. McAdam, Secretary; S. Priestley, Treasurer; Not Present, Mrs. F. Becker, Adviser.

LANGUAGE ARTS

FRENCH

Parlez-vous français? That's a requisite for membership in Le Cercle français which to the uninitiated can be translated as the extremely active French club. Visits of French teachers and students, trips, and many home meeting programs are some of the methods used to give members more knowledge of that country's people, language, and customs. Final highlights of the club year are a cook-out and a French dinner for the third year members.

A. ZIMMERMAN, President; J. WOODS, Vice-President; J. FIEDLER, Recording Secretary; J. DALZELL, Corresponding Secretary; J. BRAUN, Treasurer; MRS. A. JOHNSON, Adviser.

LEFT TO RIGHT: H. Green; A. Zimmerman, President; J. Woods, Vice-President; Mrs. A. Johnson, Adviser; J. Fiedler, Recording Secretary; J. Braun, Treasurer; L. Mattson.

GERMAN

Interest in the cultural background of Germany has been greatly stimulated among the members of the German Club this year. One of the main activities of the club is the study of folk songs, and at Christmas time they may be heard singing the folk carols of Germany. A field trip and a baked goods sale were among the projects for this year, as well as a strong philanthropic interest demonstrated in a gift of twenty dollars to the Bloomfield Welfare League. For an interesting variety of projects, look to the German Club.

H. HOENCK, President; W. MORRISON, Vice-President; E. FISCHER, Secretary; D. WIENER, Treasurer; MISS M. ZINN, Faculty Adviser.

LEFT TO RIGHT: Miss M. Zinn, Adviser; E. Fischer, Secretary; H. Hoenck, President; W. Morrison, Vice-President; D. Wiener, Treasurer.

ITALIAN

Aiming to foster Italian culture in our country, the Italian Club of B.H.S. is popular with the student body. Under excellent advisership, the club has had many outstanding special activities this year including an annual picnic, an Italian breakfast, and a trip to New York to see an Italian movie.

J. SICOLI, President; J. DiSTASI, Vice-President; R. SORCE, Secretary; A. COLICCHIO, Treasurer; MR. J. MANGELLI, Adviser.

LEFT TO RIGHT: J. DiStasi, Vice-President; R. Sorce, Secretary; J. Sicoli, President; Mr. J. Mangelli, Adviser.

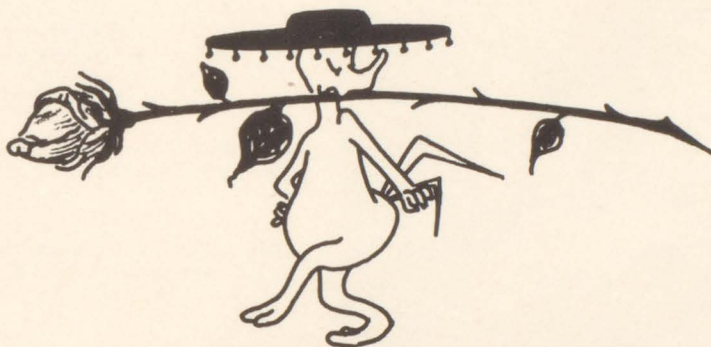

LATIN

In addition to activities which increase their knowledge of Roman life and customs, the members of the Latin Club undertake such service projects as the donation of a Thanksgiving dinner to a needy family. The club's social highlights include a formal invitation of new members and a welcome meeting to the Junior High School Latin students. A special Latin Club project this year has been the raising of funds to send delegates to the 1955 Latin Convention in Iowa.

LEFT TO RIGHT: K. Hager, *Censor*; C. Keyler, *Consul*; Miss C. Donoghue, *Adviser*; M. Thompson, *Consul*; D. Moore, *Quaestor*.

SPANISH

"Los Caballeros" is a distinctive title often given to the forty-eight members of the Spanish Club. Special events planned for the yearly program are the Spanish Assembly, foreign movies, guest speakers who are often from Spanish countries, and field trips. The main purpose of this club is to acquaint students taking Spanish with the cultural background of Spain and that of other Latin American countries.

E. TREACY, *President*; L. RICE, *Vice-President*; J. GREENFIELD, *Secretary*; P. MCGOVERN, *Treasurer*; MR. R. ROCKWEILER, *Adviser*.

LEFT TO RIGHT: L. Rice, *Vice-President*; P. McGovern, *Treasurer*; J. Dalzell; J. Hyde; E. Treacy, *President*; J. Greenfield, *Secretary*.

TRACK CLUB

A popular sport has many fans, and this club proves that fact. Membership is open to anyone interested in track or field sports who is willing to promote them actively. They give exhibitions of their hobby, aid in track and field meets during Youth Week, and award an annual trophy to the school year's most valuable track man.

L. DRAMIS, *President*; **D. GARDINER**, *Vice-President*; **D. THORPE**, *Secretary-Treasurer*; **MR. P. WILSON**, *Adviser*.

LEFT TO RIGHT, STANDING: T. Moritz; L. Dramis, President; D. Farrand; D. Thorpe, Secretary-Treasurer; D. Harnett. BENDING: Mr. P. Wilson, Adviser; C. Keyler.

MAKE-UP CREW

Much credit is due to the Make-up Crew for their able assistance in many of the school presentations during the year. Under the guidance of Miss Carol Rous, this club has helped to make the senior play, the operetta, and several assemblies successful. With their skill in the use of lipstick, powder and paint, the Make-up Crew has fulfilled their purpose—that of strengthening student characterization through make-up.

B. STANISLAWCZYK, *Chairman*; **J. MAZZELLA**, *Vice-Chairman*; **I. JOHNSON**, *Treasurer*; **MISS C. ROUS**, *Adviser*.

LEFT TO RIGHT: I. Johnson, Treasurer; J. Mazzella, Vice-Chairman; L. Patetta; B. Stanislawczyk, Chairman; Miss C. Rous, Adviser.

TUMBLING CLUB

As another of our activities that fosters an interest in physical education, the Boys' Tumbling Club has many devoted fans. It gives those boys participating a chance both to use and to develop many coordinating skills, not only in tumbling, but in gymnastics as well. The club takes no trips or other social activities during the year; however, its members are amply rewarded for the long hours of practice that they expend on their diversion.

G. ANDERSON, *Captain*; **MR. N. CLAXTON**, **MR. W. LOWANS**, *Advisers*.

LEFT TO RIGHT: R. French; J. Wary; J. Wojczak; G. Anderson, Captain.

PRINTING SQUAD

To serve B.H.S. and its clubs by printing all necessary materials is the paramount purpose of the Printing Squad. Among the annual jobs of this organization is the printing of posters for the senior play, the operetta, and the band concert. A visit to the NEW YORK TIMES Building is but another of their many activities.

R. BABINSKI, Editor; P. KELLY, Assistant Editor; R. COCKEFAIR, Treasurer; MR. O. ENGLER, Adviser.

LEFT TO RIGHT: R. Cockefair, Treasurer; Mr. O. Engler, Adviser; P. Kelly, Assistant Editor; G. Stamer; E. Nurkowski.

DISPLAY COMMITTEE

Providing fitting displays for national holidays and important school events, the Display Committee has become justly renowned throughout Bloomfield High School. Their exhibits concerned with students' work can usually be seen in the display cabinets and on the bulletin boards of B.H.S. Special efforts are exerted for the annual Open House display.

MR. J. DOUKSZA, Adviser.

LEFT TO RIGHT: G. Gehring; J. Price.

STAGE CREW

Who could ever forget all the good times on the crew? The members of this service organization spend many hours helping the school. The influence of the work of the crew is seen to a large degree in our assemblies, but this is not the only service rendered by the boys on the crew. Imagine how our senior play, operetta, and various musical shows would have been without the fine help these boys willingly give. We who have received the benefits of this service appreciate immensely the time and effort given by the members of this outstanding organization.

B. COHEN, Stage Manager; MR. R. MINCHIN, Adviser.

LEFT TO RIGHT: R. Minchin, Adviser; C. Nay; G. Allen; B. Cohen, Stage Manager; A. Hansen.

TRANSPORTATION CLUB

Membership in the Transportation Club is limited to a group of twenty boys, selected from both the junior and senior classes. Club activities for the year include educational visits to nearby places such as railroads, dockyards, airports, and the Ford Plant. Guest speakers are invited from various schools and colleges that the members might be interested in attending at a future date. Participation in the Fisher Body Contest is encouraged, as well as work on rockets and space travel.

P. WURM, President; R. NARDONE, Vice-President; G. TONJES, Secretary; R. TONNIES, Treasurer; MR. B. DAVIS, Adviser.

LEFT TO RIGHT: R. Tonnies, Treasurer; P. Wurm, President; Mr. B. Davis, Adviser; R. Nardone, Vice-President.

HOME ECONOMICS CLUB

Future homemakers studying Home Ec take time out from domestic practice to serve others as well as to have enjoyable social gatherings. Their many worthwhile activities included filling a Thanksgiving basket and making dolls and toys as Christmas gifts for crippled children. Fellow students were enlightened by their assembly on careers in home economics. A Christmas party, field trip, and a Mother and Daughter banquet highlight the social calendar.

F. LEO, President; E. BUTLER, Vice-President; C. BAILEY, Secretary; E. KRIVIK, Treasurer; MRS. L. MONTGOMERY, Adviser.

LEFT TO RIGHT: R. Stanziale; S. Glogoski; M. Thomas; E. Krivik, Treasurer; Mrs. L. Montgomery, Adviser; F. Leo, President; C. Bailey, Secretary; E. Butler, Vice-President.

CAMERA CLUB

The members of the Camera Club will not forget their capable adviser, Mr. Alfred Zabady. Neither will they forget the fine plans they made or the fun they had. The purpose of this enterprising group is to develop and further an understanding and interest in photography. The members have either an interest in photography or are active "shutter-bugs" themselves. With their leaders, this club planned some special activities such as a photo contest, open to the student body, and a display of the photography done by the members of this interesting club.

J. GARRETT, President; R. WARD, Vice-President; J. BLOUNT, Secretary; R. COLE, Treasurer; MR. A. ZABADY, Adviser.

LEFT TO RIGHT: P. Whitecross; R. Cole, Treasurer; J. Garrett, President; R. Ward, Secretary; Mr. A. Zabady, Adviser.

DISTRIBUTIVE EDUCATION CLUB

Members of the Distributive Education Club meet to discuss their interest in merchandising and retailing as a career. A job well done distinguishes this group which has accomplished such projects as making stuffed animals and filling stockings for the League for Friendly Service at Christmas. A trip to the research laboratory of the Good Housekeeping Institute was one of the highlights of this year's activities.

M. BAKER, President; A. TERREZZA, Vice-President; T. SENA, Secretary; F. MASTRAS, Treasurer; MRS. P. SUTTON, Adviser.

STANDING, LEFT TO RIGHT: Mrs. P. Sutton, Adviser; L. Spassione, A. Terrezza, Vice-President, J. Priore. SEATED, LEFT TO RIGHT: R. Condatore, J. Price, B. Moritz, L. Nylk, D. Cupka, L. Lair, J. Formica.

CHEFS' CLUB

The Chefs' Club has had a very full and successful year. At the top of the list of their special activities was a trip to the cafeteria and food preparation centers at the United Nations buildings in New York City. The outstanding aims of the club are to develop interest for possible future chefs, to further education in the culinary arts, and to aid financially any beneficial cause or drive.

N. CARSILLO, President; M. BEYER, Vice-President; A. RUVO, Secretary; J. FLANAGAN, Treasurer; MISS E. DEMEO, Adviser.

SENIOR GIRL RESERVES

The Senior Girl Reserve Club is one of the largest service organizations in B.H.S. During the past year, the girls in this group contributed dolls and children's clothing to the League for Friendly Service and also participated in the March of Dimes and Cerebral Palsy drives. They also assist at school and community social functions, as well as providing the office with receptionists. The two main social events of the Senior Girl Reserves are the Initiation Banquet for the Junior Girl Reserves in October and the Mother-Daughter Banquet in May.

JUNIOR GIRL RESERVES

Through the Junior Girl Reserves Club, junior girls have the opportunity of providing a variety of services to their school and town. Among the many projects of this group were participation in the March of Dimes and Cerebral Palsy drives; the girls also contributed dolls to the League for Friendly Service at Christmas time. Highlighting the club's social activities was the annual candlelight service in October.

AUDIO-VISUAL AIDS CREW

Service to school and community is the primary objective of the Projection Crew. Almost every day of the school year, some group of students enjoys movies shown by crew members. Other members set up and operate the various audio equipment required for B.H.S. assembly programs, speech, and English classes. In addition, the crew extends its services to the entire community. Members are available to operate equipment for activities of town organizations such as the grade schools, service clubs, church groups, and the Bloomfield Public Library.

JUNIOR RED CROSS COUNCIL

The Junior Red Cross Council aims to make B.H.S. students more aware of the work and help done by the Senior Red Cross. As one of the outstanding service organizations in our school, it helps the community in many ways. Collecting for the March of Dimes and sending gifts to children and soldiers in hospitals are some of its very worthwhile activities.

CAREERS FOR SECRETARIES

To promote interest in specific careers as secretaries is the purpose of the Careers for Secretaries Club. Members meet and hear speakers on the various types of jobs that might be of interest to the group. One such speaker gave an informative talk on banking as a career for secretaries with financial ability.

FUTURE NURSES OF AMERICA

Stimulation of interest in nursing and its opportunities is the primary purpose of the F.N.A. Vocational possibilities in this worthy field are explored and discussed at club meetings, while outside activities include a Volunteer Nurses' Aide Group at Mountinside Hospital. Under the influence and guidance of their adviser, many B.H.S. girls have turned to this worthwhile career as the one they intend to follow.

FUTURE TEACHERS OF AMERICA

The purpose of the F.T.A. Club is to acquaint its members with some of the opportunities in teaching. In addition to monthly meetings, the members observe and conduct classes in local elementary schools and take field trips to nearby teachers colleges. Each year in May the club sends delegates to a state-wide conference of high school and college F.T.A. clubs at Stokes State Forest.

MUSICAL MONDAY CLUB

The members of Musical Monday will long remember the opportunity given them to play and to hear good music. The members not only hear and criticize the musical performances of each other, but also attend various musical affairs in the Metropolitan area. The club has planned a special assembly to present its activity to the school. The meeting held during the spring as an annual tradition is open to anyone who cares to attend.

VOCAL MUSIC

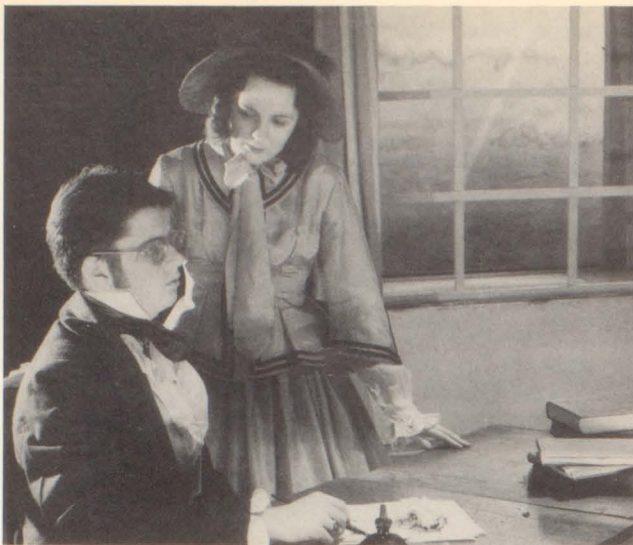

A CAPPELLA CHOIR

The "Joy of Song" is well known to the Choir which participates in the All-State Chorus and the North Jersey Metropolitan Opera Chorus. This group presents our annual operetta as well as providing material for assembly programs. These activities, plus outside engagements, enable members to learn professional and artistic interpretation of standard choral repertory. Gathering together to sing, members of the Girls' Glee Club enjoy group participation and ensemble experience.

"BLOSSOM TIME"

BLOSSOM TIME

"Blossom Time," as presented by the Bloomfield High School music department, was certainly a blossoming of talent in our school. The A Cappella Choir may be given full credit for the excellent singing of this well-known musical play. With the assistance and support of the orchestra, the songs of Franz Schubert soon became a part of every cast member. The plot concerned a poor composer, Franz Schubert (Thomas Ward), and his friend Baron Schober (Matthew Fleming). Together they tried to sell Schubert's music, but their mutual love for Mitzi (Carol Kelly) caused much heartache between them. The dual romance of Mitzi's sisters, Fritzi and Kitzi, with Binder and Erkman climaxed in an actual wedding and reception on stage. The eccentricities of Bellabruma added humor and intrigue to the story. Undoubtedly the most remembered musical selection was the beautiful "Ave Marie" chorus, written by Schubert and presented by the girls' chorus. Those who participated in the operetta will recall the endless hours of rehearsal but will never forget the satisfaction and enjoyment gained from actual participation in the production.

The choir and orchestra, however, were only two of the organizations which made "Blossom Time" a success. Behind the scenes we must give credit to the publicity, costume, make-up, properties, ticket, and program committees as well as the Stage Crew. Without the help and cooperation of all these organizations, "Blossom Time" could not have been the truly great production that it was.

SWING SERENADERS

The soft strains of "Stardust," accentuated by a single trumpet, announce the start of another wonderful evening of dance entertainment. Led by Vinnie Eible and advised by Mr. Hartman, the Swing Serenaders have thrilled us countless times with their own renditions of old favorites and the current hits. In addition to playing for school affairs, the Serenaders also provide music for local organizations and nearby high schools.

CONCERT BAND

Throughout the school year, the concert band has provided outstanding music for many of the varied B.H.S. activities. Besides playing at the football games and at their annual band concert, this organization embellishes rallies and assemblies with the music of both classical and modern composers. Directed by our very able Mr. Hartman, the concert band also serves as a marching band whenever it is desirable.

The Twirlers

TWIRLERS

The twirling squad of 1955 deserves much credit for its many accomplishments. Under the advisership of Mrs. Myra Seely, and the leadership of Sue Hartke, majorette, and Marion Groch and Judy Greenfield, minorettes, the twirlers added color to the football games as they strutted down the field, displayed their twirling ability in original routines, and participated in the half-time shows. Their skills were also demonstrated in the band concert, and at Overbrook Hospital where they performed.

CHEERLEADERS

"Let's go, Bloomfield!" Our vivacious cheerleaders were constantly striving to arouse school spirit at B.H.S. rallies and sports activities. With their adviser, Mrs. Seely, these twelve girls and their captain, Joan Chambers, worked out snappy cheers which boosted the morale of the players on the football and basketball teams. Whether the teams were successful or not, the encouragement of the cheerleaders was always appreciated.

Head Cheerleader, Joan Chambers.

FLAGWAVING

The flagwaving squad, composed of nine members directed by Mrs. Myra Seely, perform at all the football games, seasonal rallies, and varsity assemblies. The intricacies of the flag routines, struts, and dances typify the perfection which the girls strive to attain through long tedious hours of practice and drill. All routines, dances, and costumes are originated by each successive group. Feature productions are presented at the annual band concert and the bi-annual trips to Overbrook Hospital. Future hopefuls are trained and taught by the squad's senior members and are given try-outs in the spring of each year.

FOOTBALL

Pardon My Foot!

"Go get 'em!"

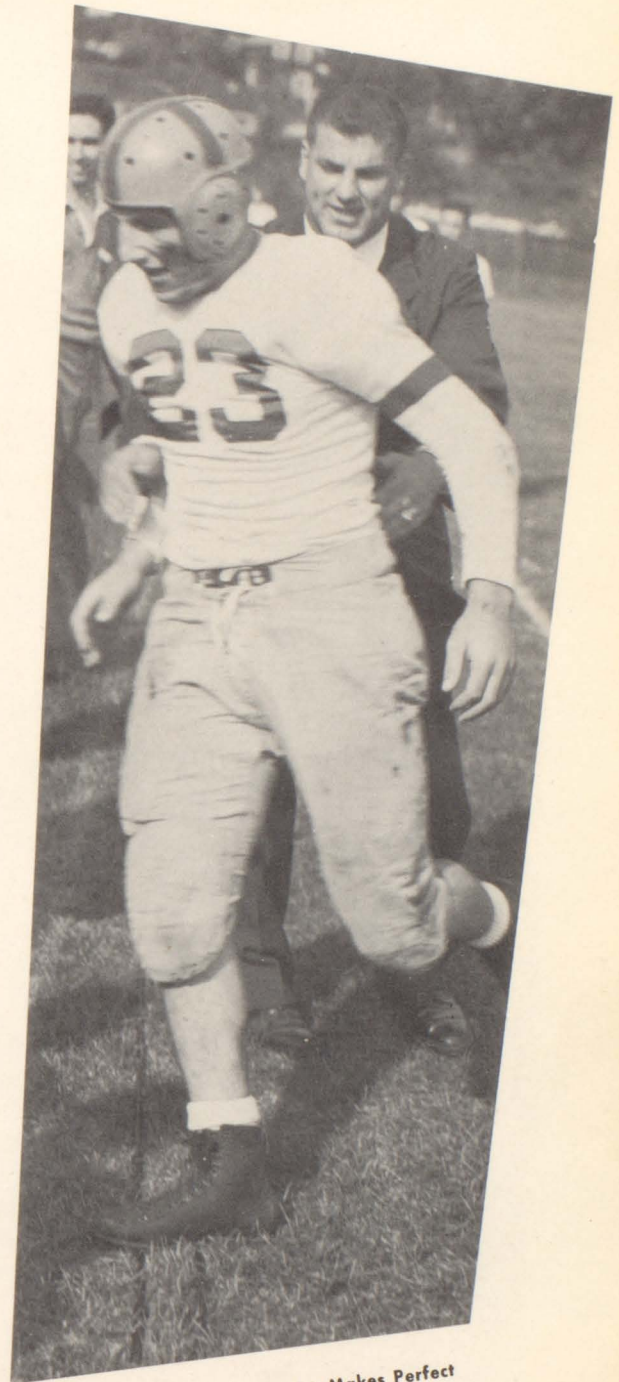

The 1954 B.H.S. football team registered one of the finest Bloomfield records in recent years, compiling a season mark of six wins as against but two defeats. Time and time again, the Bengals determinedly smashed their way past highly-favored teams; only the two top squads in the state, Nutley and arch rival Montclair, were able to inflict defeats upon the rugged Bloomfield eleven.

Returning after a two year stretch with the Naval Air Force, Warren Lowans, Bloomfield's highly popular and extremely capable gridiron coach, proved a prime factor in Bloomfield's return to power after last year's disappointing season. Coach Lowans' lifetime mark at B.H.S. now stands at nineteen wins and only seven setbacks—a remarkable .731 victory percentage.

Upsetting a potent and highly-regarded Seton Hall squad by a 12-7 margin, the Red and Gray opened the season impressively, highlighting its dogged defense. Traditional rival Belleville proved no problem whatsoever, receiving an 18-0 slamming from the powerful Bloomfield outfit. The Bengal string of victories mounted rapidly with triumphs over Clifton (18-0), Central Newark (14-0), and Kearney (28-14). A trifle over-confident during the first half of the Irvington contest, the Bengals, nevertheless, returned to their usual form in the second half and marched on to a 20-7 victory, piling up their sixth straight win. At this point, however, the tale of Bloomfield conquests ended, for although the Red and Gray played their hearts out in the final two games, the superiority of Nutley and Montclair coupled with bad breaks and injuries, accounted for losses by scores of 26-0 and 35-0.

FOOTBALL

The outstanding characteristic of the 1954 Bengals was the way they worked together both offensively and defensively as a team. Players emerged from the season as individual stars; yet the team itself was the real star. Ed Treacy handled the quarterback slot to perfection while Larry Casparro, Bloomfield's rugged and elusive half-back, blasted his way to nine T.D.'s, earning a berth on the all-county second team. Fleet-footed Bill Lenskold served as the other Bengal halfback with Joe Ponzio and Co-Captain Warren Hogan sharing the fullback duties. Ron Nagle, Ken Cestone, and Lou Niosi provided additional depth in this strong backfield.

Bloomfield could also boast of a hard-hitting and determined line, spearheaded by Dick Hasz at the important center spot and Co-Captain Art Meier, Frank Squillaro, and Lou Chirichello at the guard positions. Two rugged seniors, Bob Scerrato and Dave Corby teamed up to provide both depth and strength at the tackle slots, while Jerry Allen achieved success as an end.

BASKETBALL

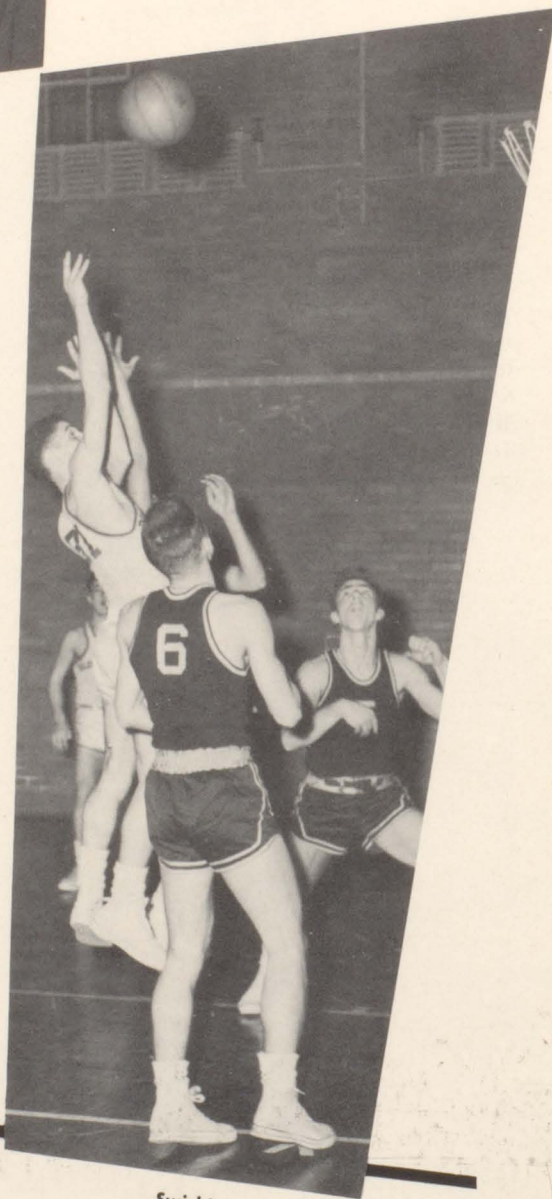

The Bloomfield High School Varsity Basketball Team ended the 1954-55 season with the poorest B.H.S. record since the 3-15, 1947-48 campaign.

Handicapped by a lack of height and the absence of a consistent outside shot, the Red and Gray squad turned in a disappointing 6-11 regular season mark and then followed through by dropping the first game of the Essex County Tournament to Weequahic by ten points. In the state tournament, the Bengals failed to get past County Champion, West Side in a close overtime contest—having trimmed South Side to open the tourney.

BASKETBALL

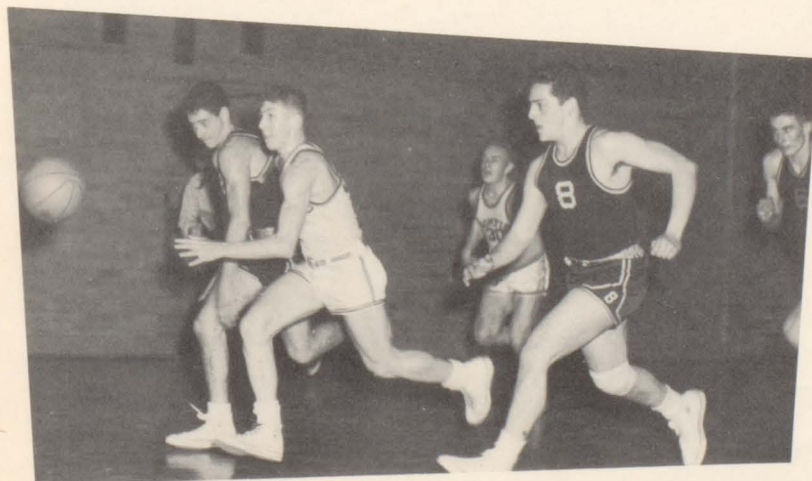

Individually, the Bengal squad was a good one, but one which just couldn't function as a unit. High men for Bloomfield in the point scoring department were Vinnie Eible, John Kroger, and Tony Ruvo, each racking up an average of over ten points per game; Jack O'Donnell, Art Beck, Marty Beyer, and Larry Casparro, along with juniors Bud Salamone and Fred Block, also figured in a good deal of the scoring.

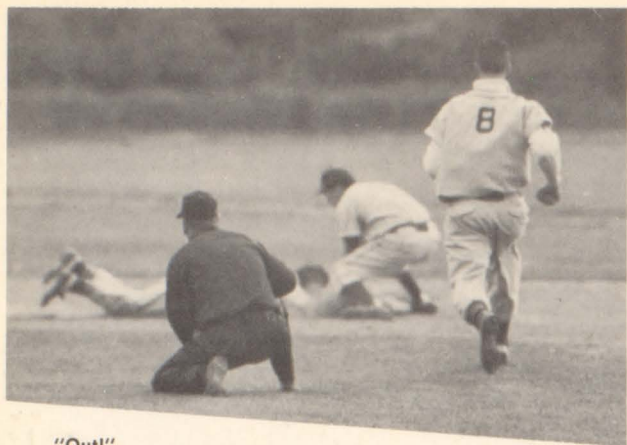

Regular season Bengal triumphs were inflicted at the expense of Kearney, Irvington, Belleville, Morristown, Central, and Nutley while games with West Orange (2), Columbia, Montclair (2), Clifford Scott, Orange, Belleville, Barringer, East Orange, and Ridgewood accounted for losses.

BASEBALL

B.H.S. produced another powerful Bengal baseball varsity last year, as the Red and Gray rapped out a truly formidable 13-6 record, gaining recognition, once again, as one of the top teams in the state.

Spearheading the Bengal attack was a combination of the hurling efforts of Bob (Red) McCabe, Rog Mazzella, and Tony Ruvo, along with the offensive power provided by Marty Beyer, Joe Ponzio, Mike Antolino, and Captain Jimmy Galasso. In addition, Skippy Meier saw a good deal of action in the final stages of the season, pacing the team with his tremendous slugging.

It was Mazzella, however, who was responsible for the most impressive wins last year—the first, a 5-4, twelve-inning tilt with Irvington, and the other, a brilliantly-pitched 1-0 shutout of a potent Nutley nine. The Red and Gray also registered victories over Orange, Barringer, Kearney, Clifton, and Lincoln.

On the other side of the ledger, old foe Montclair, with a no-hitter and a one-hitter, inflicted two of the five regular-season defeats—the other three being accounted for by powerful squads from Belleville, Clifford Scott, and Columbia. In the first game of the Greater Newark Tournament a strong Westwood aggregation crushed third-seeded Bloomfield, 8-1.

For the 1955 season Assistant Coach Joe Bogusz will replace Coach George Cella as head coach, with head football coach Warren Lowans serving as his assistant. Led by co-captains Joe Ponzio and Art Beck, this year's squad will feature Marty Beyer, Skippy Meier, Warren Hogan, Bob Nappi, Lefty Karpin, Ken Stiritz, Tony Ruvo, and Dick Hasz; Ruvo and Hasz are expected to form the nucleus of the mound staff.

TRACK

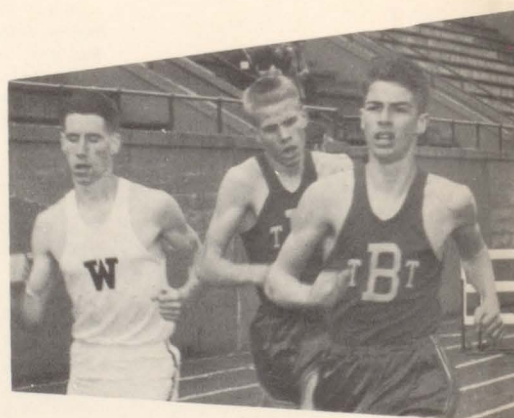

With the close of the 1954 spring track season, the Bloomfield High School harriers had established themselves as one of the top threats on New Jersey cinders, compiling a sensational 9-0 record in dual meet competition.

The track and field aggregation from B.H.S. also fared well in other phases of inter-scholastic competition, copping second place, behind Montclair, in the Essex County Meet. In this meet, Bloomfield speedster, Len Dramis, captured the mile crown in what was nearly a photo finish, and Steve Hodgeson tied for first place honors in pole-vaulting. In addition, the Red and Gray proved outstanding in the Long Branch Relays, nabbing a first place finish.

During the 1954 season, records galore were broken. Strong man of the field events, Vyto Kabashinski, smashed both the school discus and the school shotput records, while Bill Lenskold flashed to a new B.H.S. record in the 100 yard dash. The relay team of Lenskold, Cal Keyler, Paul Williams, and Jim White also cracked the school records for the mile and for the 880 yard event.

The outlook for the 1955 squad is almost as good with Lenskold, Keyler, and Dramis, as well as Ed Treacy, Don Catino, Larry Casparro, Ken Cestone, Dave Cole, Dave Gardener, Bill Pilloni, and Dave Harnett returning from last year's squad to form the nucleus of the team.

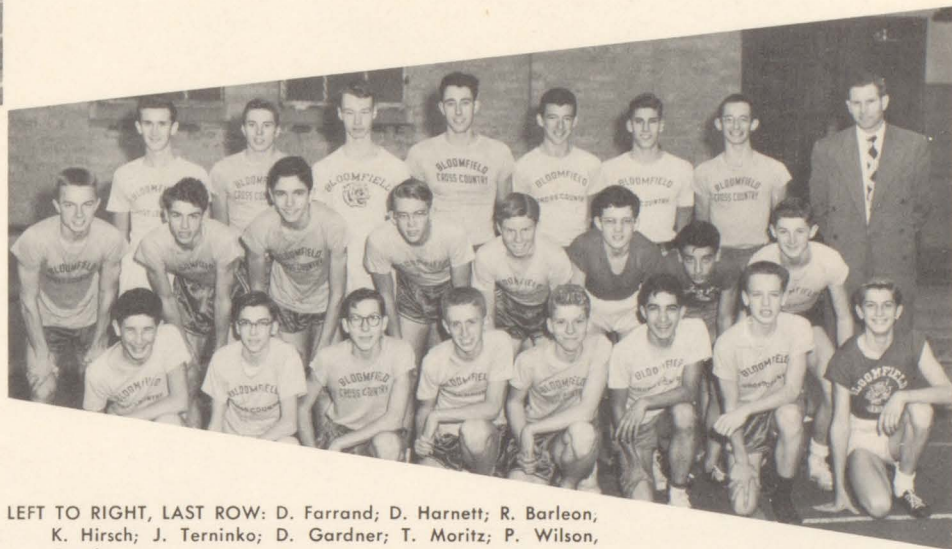

The B.H.S. indoor track team already has flourished, particularly in the relay team competition. In addition to compiling a trim 3-0 dual meet record, the Bengal runners placed second in the National Mile Relay Championships with a new school record, and then captured first place in the C.Y.O. Championship meet.

CROSS COUNTRY

The Bloomfield High School Cross Country Team displayed outstanding brilliance in dual meet competition, only to falter in the county and state meets. Sporting a superb 8-2 record, the Red and Gray could place no higher than sixth and eleventh, respectively, in the two most crucial events. In regular season tilts, however, the Bengal harriers lost only to West Side and Kearney while whipping squads from South Side, Seton Hall, Barringer, Clifton, Nutley, Paterson, East Side, Passaic, and Rutherford. Pacing the team to victory were Captain Cal Keyler, as well as Len Dramis, Dave Harnett, Tom Moritz, Wayne Morris, and Bill Schwab.

BOWLING

Under the guidance of Coach Norman Claxton, the B.H.S. kegglers rolled to the championship of the New Jersey Inter-scholastic Bowling League for the third straight year. Composed of Captain Ken Powell, Joe Wojczak, Bob Cumming, Bill Selinger, and Ken Stiritz, the Bengal squad compiled an impressive 8-2 record in league competition, while producing a potent 778 average and a high match of 935. Throughout the season, Powell paced the team and league with a sparkling average of 180.7.

TENNIS

The Bloomeld High School Tennis Team suffered a dismal season last year, but this year looks to tell a different story, as seniors Paul Siniscal and Captain Charlie Reilly return with considerable experience to form the nucleus of the 1955 squad. Other senior netsters Lou Niosi, John Brohal, and Richard Eichner are expected to provide additional strength. Coach Cabot Kendall, who has worked constantly at improving his squad, seems optimistic about its chances.

GOLF

In spite of spirit and enthusiasm, the 1954 B.H.S. Varsity Golf Team staggered to a disastrous 1-6 season, the only high point of which was a 140 yard hole-in-one by George Lucas. The single victory came at the expense of Millburn, while Montclair, Verona, and West Orange accounted for the six losses. In all fairness, though, it must be said that most of the defeats came by extremely close margins, and it is expected that this year's squad will do considerably better. Paced by Captain Warren Johnson, the varsity golfers included Gene Butler, Carl Haetten, Ed Kukelski, George Lukchis, Paul Lyons, and George Pawlikowski.

INTRAMURAL SPORTS

Boys who lack either the skill or the time necessary for participation in varsity athletics will never forget the wide variety of intramural activities provided by Bloomfield High School. Directed by Mr. Norman Claxton and a group of students, these activities include such sports as golf and bowling in the fall, basketball in the winter, softball in the spring, and ping-pong all year round. Gaining a good response from the student body, these activities provide special opportunity for non-participants to handle such jobs as officiating and timing intramural contests.

HOCKEY

The real enjoyment of a hockey game can best be gained through active participation in this fall sport. That's a fact certainly well known to the forty B.H.S. girls who combined to form this year's squad, practicing every Monday afternoon at Brookdale Park. The games themselves, plus the social event of the season, an outdoor supper, will long be remembered by everyone on the team.

BADMINTON

"Watch the birdie!" That's the secret of badminton. Marked by the fun and enthusiasm by all that participate, this game entails not only speed, agility, and good reflexes, but also the ability to think quickly. Most Wednesday afternoons in the late winter will find a number of B.H.S. girls carrying on this sport.

GIRLS' SPORTS

VOLLEYBALL

With the sound of the whistle, a volleyball is hit over the net and another exciting game has begun. Played in late winter, this sport always requires a great deal of team work and practice in order to produce a winning squad. Teams are generally formulated according to classes, and all participating girls have fun.

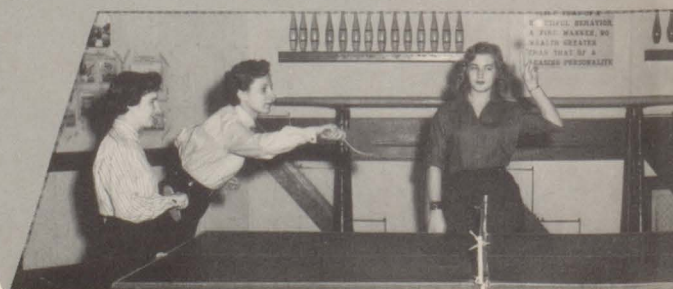

BASKETBALL

"Spirit plus enthusiasm"—that describes the action of the girls' basketball teams which play on the gym court every Wednesday afternoon during the late winter season. This game is, perhaps, the most representative girls' intramural sport. With about a hundred and fifty participants, shouts, whistles, and laughter are familiar sounds during these basketball games.

PING-PONG

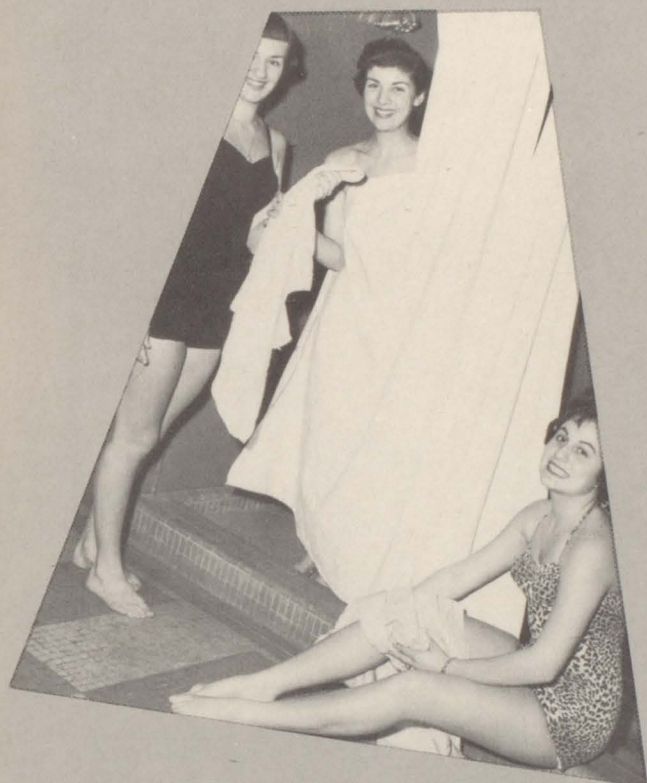

A game of skill and lightning-fast action, ping-pong is a favorite among many B.H.S. students. These energetic students can usually be seen in the girls' gym every Wednesday afternoon, following the girls' basketball season, carrying on the spirited contests which denote this fine sport.

SOFTBALL

Crack—"It's a homerun!" . . . At the beginning of spring many of our girls may be seen out on the baseball diamond getting in practice for one of the most popular sports—softball. Keen competition and fun highlight the intramural teams which are generally formed according to classes.

SWIMMING

While having a good time, approximately forty girls from B.H.S. meet often at the Orange Y learning the techniques of swimming and diving. Courses are offered for beginners, intermediate, and advanced swimmers. Through these courses many girls earn their junior and senior life-saving awards.

BOWLING

A very popular winter sport with the girls is bowling. This fine game of skill is carried on every Monday afternoon from January to March at the Boy Avenue bowling alleys. The ten teams compete in an adult manner for the top honor of first place. There is fun for all when the season is climaxed with a co-ed bowling tournament.

LEADERS' CLUB

Under the direction of Mrs. Myra D. Seely, the members of the Leaders' Club are provided with practical experience in the art of leadership. In addition, the girls have opportunities to promote sociability and to plan gym activities. Funds for club operations were raised through the sales of B.H.S. pins, Christmas Santas, license plate decorations, and toy dogs. The club's social activities include an installation breakfast and a final Leaders' Club party to top the year.

MRS. MYRA D. SEELY

Known to the girls of B.H.S. as "Ma," Mrs. Seely freely devotes much time and energy in teaching and directing the agwavers, twirlers, and cheerleaders. During their numerous practices, she aids them, in conjunction with constant practice, to perfect the skill which they strive to attain in their performance. Directing the girls' intramural sports program and attempting to instill in the girls of B.H.S. a spirit of fair play is only one of her many other activities. In all she says and does, Mrs. Seely has proved herself both a valuable asset to the school and a loyal friend to the students of B.H.S.

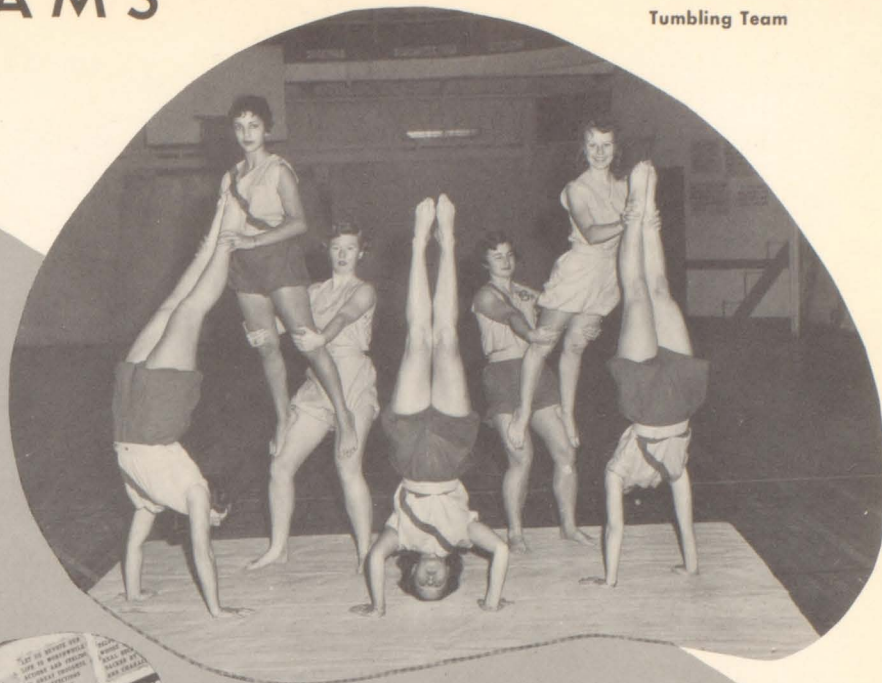

GYM TEAMS

Tumbling Team

TUMBLING TEAM

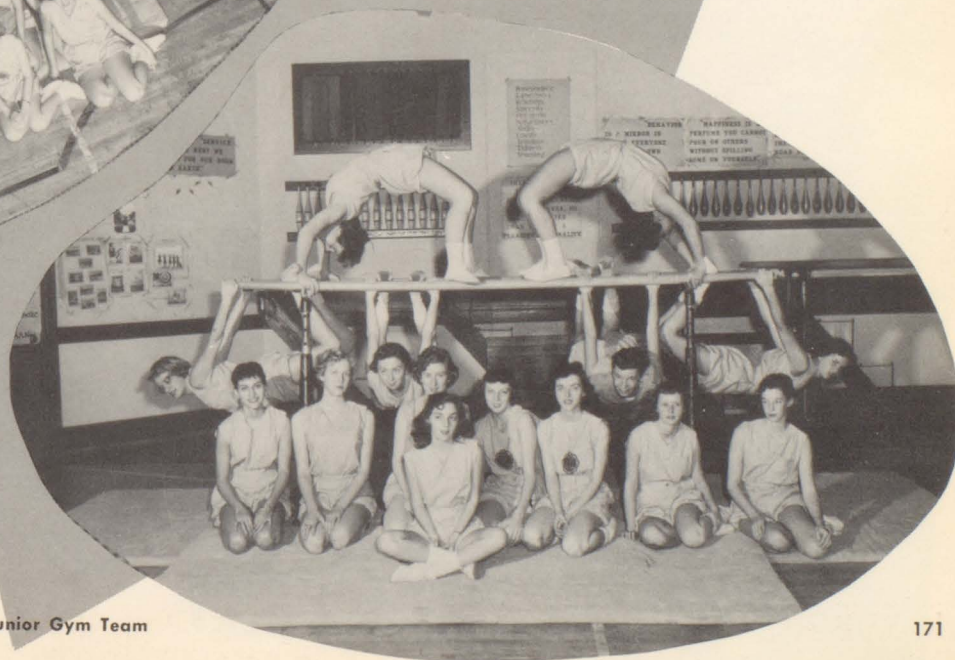

Pep, vim, and vigor, plus flexibility characterize the attributes of the tumbling team. This lively group of twelve girls, coached by Miss Russell, perform at the gym exhibition and are well acquainted with such stunts and tricks as the cartwheel, fish-flop, monster-dive, teddy-bear-roll, coffee-grinder, walkover, flip, and head and chin stands.

GYM TEAMS

"Up . . . down . . . back with your ropes!" These are the familiar commands sounding out every Tuesday and Thursday afternoon in the girls' gym when the gym team girls, under the direction of Miss Russell, work with the ropes, rings, and parallels. Amid a few grunts and groans, these girls work hard trying to perfect their skills on the apparatus. All of this practice is not in vain, for the climax to their hard work comes in the form of an annual exhibition held in the spring. During this exhibition the girls perform the results of their diligent practice for their parents and friends.

DRILL TEAM

October 16, 1954! The drill team, dressed in their striking blue Scotch outfits, maintained the fame and prestige of previous drill teams with their initial appearance at Foley Field. Hours of practice and hard work by thirty-two girls and their coach, Miss Russell, were rewarded with the praise received from the spectators for their intricate drill routine. The drill team, formed by a new group of girls each year, has impressed many different audiences with its precision marching. The appearance at Madison Square Garden, the Polo Grounds, and Adelphi College were highlights in the career of the "Scotties" of 1954-55.

ARCHERY

ARCHERY TEAM

The points are set . . . the targets are up . . . and the girls, dressed in their white weskits which they have made, are ready. These female Robin Hoods have consistently gained one championship after another. The archery team has for fourteen consecutive years captured the National Interstate Archery Championship. Coached by Miss Russell and captained this year by Judy Knapp, these girls have brought much reknown to Bloomfield High School for their unfailing marksmanship. In the spring of each year, the team shows its skill in mastering the bow and arrow at the annual gym exhibition.

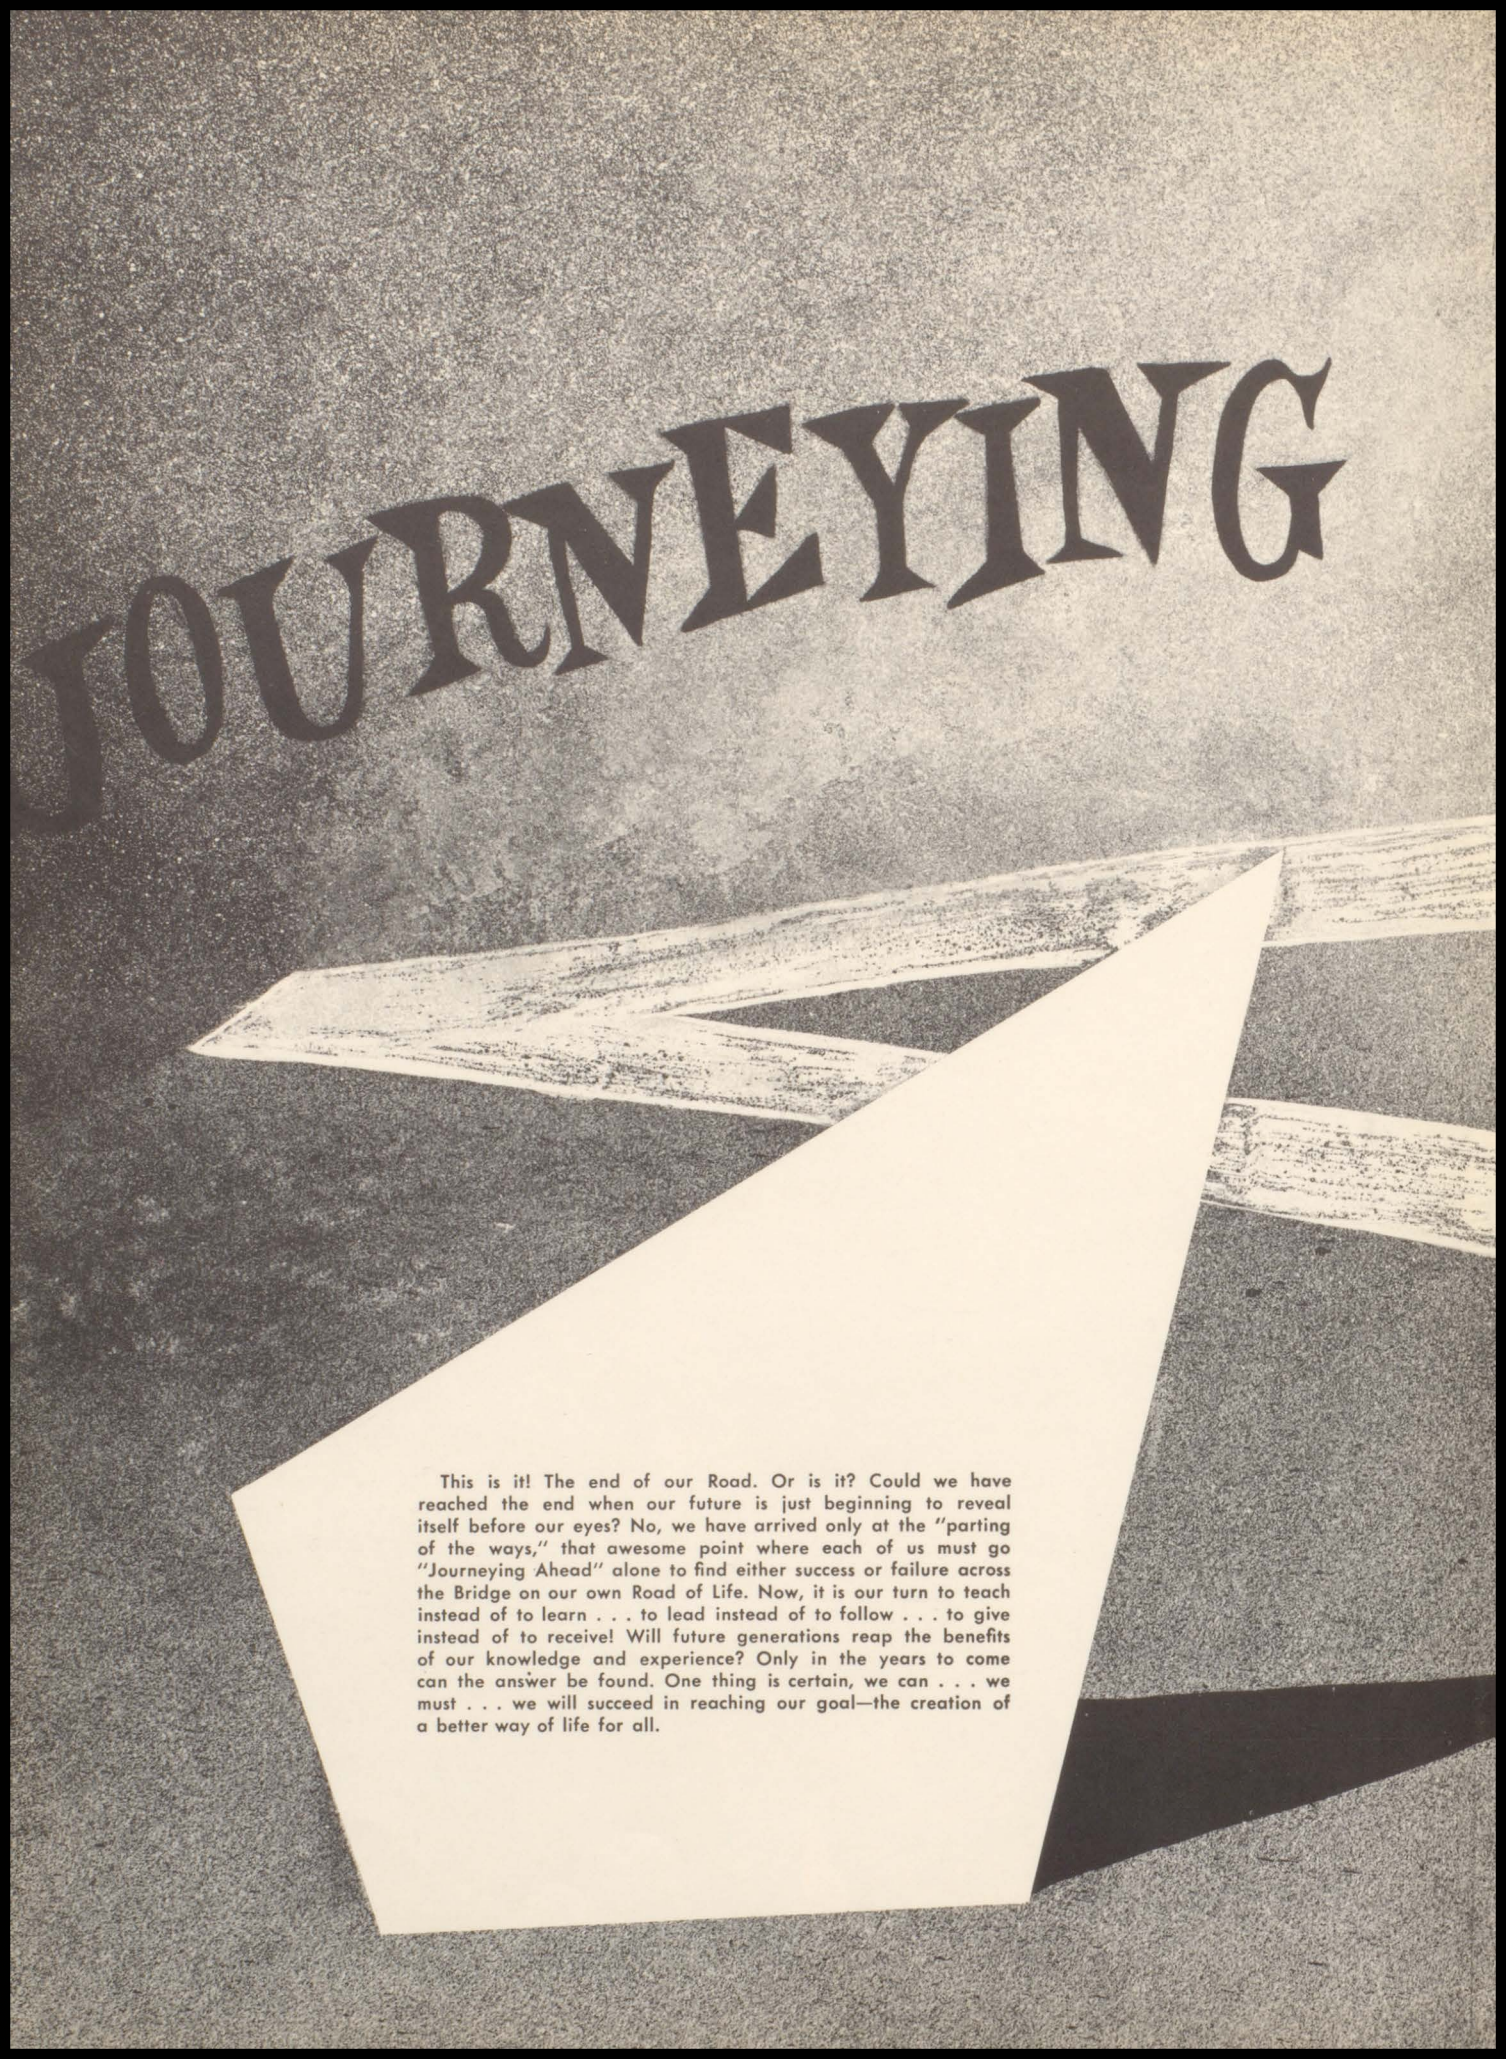

MISS EDITH C. RUSSELL

The fame brought to Bloomfield High through the archery, drill, and gym teams is evidence of the outstanding ability of Miss Russell, director of girls' gym activities. In her many years as a B.H.S. gym teacher, Miss Russell has worked patiently and diligently with the girls on the teams she has coached. We "pass this way but once." The important part Miss Russell has played in the guidance of the girls who have participated on her teams will ever make them grateful they "passed" her way.

JOURNEYING

This is it! The end of our Road. Or is it? Could we have reached the end when our future is just beginning to reveal itself before our eyes? No, we have arrived only at the "parting of the ways," that awesome point where each of us must go "Journeying Ahead" alone to find either success or failure across the Bridge on our own Road of Life. Now, it is our turn to teach instead of to learn . . . to lead instead of to follow . . . to give instead of to receive! Will future generations reap the benefits of our knowledge and experience? Only in the years to come can the answer be found. One thing is certain, we can . . . we must . . . we will succeed in reaching our goal—the creation of a better way of life for all.

The yearbook that you are now holding had its genesis in February of 1954 when the staffs were chosen and the Editorial Board began work on a theme. Vacation temporarily stopped work, but in September, tanned healthy specimens of B.H.S. seniors reported for work. We settled the deadline dates with the printer, and started writing, sweating, drawing, swearing, photographing, slaving and worrying over the senior and faculty sections, innovations this year. Although the goal that we had set ourselves appeared to be almost insurmountable, we finally had the joy of turning in clean finished copy to the printer. Then the process began all over again with the various clubs and activities of which our school boasts. Slightly less difficult, it nevertheless proved a trying task to identify all of the students that appeared in each picture. Our joy was a little diminished this time and we were noticeably paler and weaker. But "Never give up the ship!" was our motto. Our last deadline was the sports section and this nearly finished us. However, we pulled through in something other than fine shape.

Then miracle of miracles, the book was done! Complete! Finished! Signed, sealed and delivered to us in June, we had the final exhilarating experience of lifting our books from the cartons with that freshness and newness that identified them as direct from the printers and unopened. All of you had that feeling as for the first time on Class Night you held in your hands the permanent record of your years in B.H.S. . . . MEMORIES '55.

This would be incomplete, however, without a passing mention of those wonderful seniors that labored along with us to produce a book that you can be proud of. You all must have known at least one person who was a member of the staff, an dmarveled at the enlurance he showed throughout the year. Those of you that haven't worked on MEMORIES should say a silent "Thanks" to each of them for providing you with what you are proudly holding.

And so, to the faculty advisers that toiled along with us, on into the night, Miss Irene Brummerstedt, Mr. John Douksza, and Mr. William Willever, to the office staff for their patient understanding of our constant need for more and more paper, stencils, etc., and to each and every staff member, we, the Editors of MEMORIES '55, respectfully and sincerely dedicate this book.

To the Class of '55:

The page you are now reading is the last of one hundred eighty--the result of over three hundred working hours, the equivalent of working eight hours a day, five days a week, for almost two months, of complex discussion, dogged determination and tension-breaking humor. As a result, MEMORIES '55 not only contains many of the more conventional features, but also some that are new and unique.

In spite of the few minor errors that inevitably appear in every publication, I believe that if one person understands and appreciates one segment of MEMORIES '55, no matter how insignificant, the grueling task of producing your book has been worthwhile. Our job is finished; MEMORIES '55 is now yours, a reminder of the work and worry, and the fun and frolic of the past three years on the Road of Life--your life.

Sincerely,
John D. Meier

To the Staffs of MEMORIES '55:

You've done it! Through your unselfish efforts and cooperation during the past year, you have helped MEMORIES '55 grow from the vaguest of ideas to the clearest of realities. Your task is finished; few can say you have not tried to do it well.

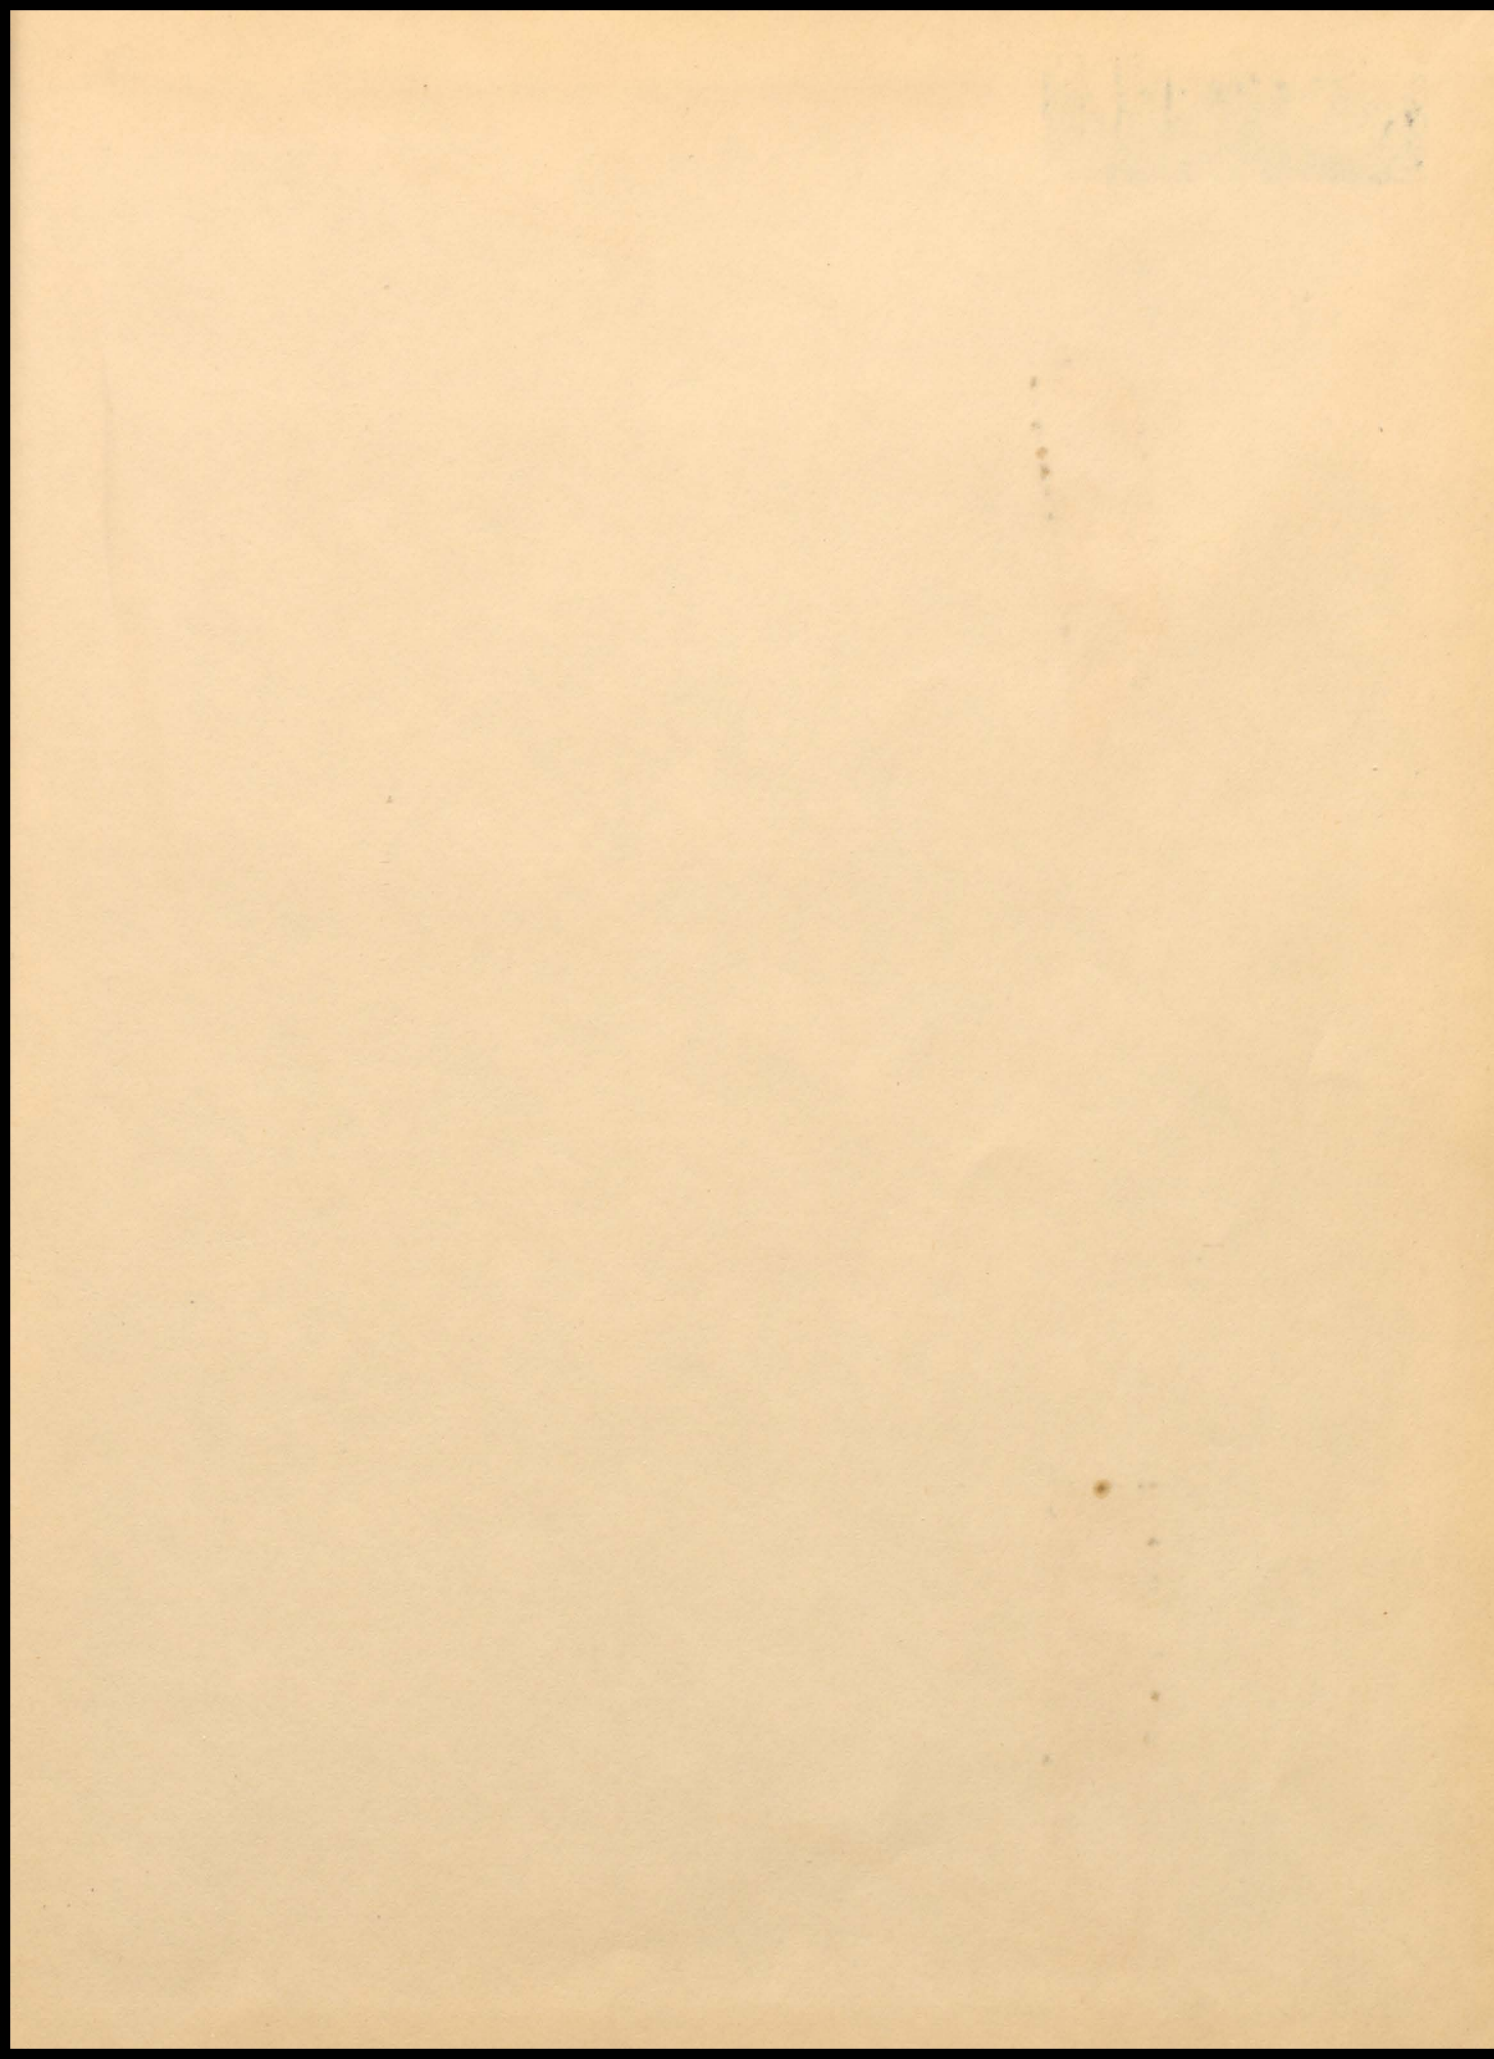

To the Editors--without your ideas and assistance, MEMORIES '55 might have become just another yearbook. The many hours of hard work passed quickly due to your indefatigable energy and unflinching sense of humor.

To the individual Staffs--your unceasing work made it possible. After a year of writing and rewriting...typing and retyping...drawing and redrawing...photographing and rephotographing...filing and refiling, you can close up shop and forget about difficult assignments, frequent deadlines, and long hours.

To the Advisers--Miss Drummerstedt, Mr. Doukessa, and Mr. Will--ever, how can mere words suffice? Your patient understanding, helpful criticism, constructive advice and wonderful humor in the most trying of circumstances have guided us past many a pitfall. The thanks of the entire staff are due you.

Now, to the Editors, Staffs, and Advisers--looking back on the painstaking accomplishments of the past year you may now lean back, take a deep breath, and view with satisfaction the yearbook you have produced--MEMORIES '55.

Sincerely,
John D. Meier
